PROFESSIONAL GREENHOUSE FOR THE AVID GROWER.

The GrowIT Greenhouse-in-a-Box Pro with roll-up side vents delivers quality construction, quick and easy assembly and best in class value. Ready to build out of the box!

1-3/8" / 3,5 cm heavy duty steel frame with a premium powder coat finish resists chipping, peeling, rust and corrosion.

ClearView® triple-layer, heat bonded RipStop translucent cover is waterproof and UV-treated inside and out. ClearView® cover provides enhanced illumination designed specifically for plant growth and protection.

Patented ShelterLock® Stabilizers deliver a stable, more durable shelter.

Roll-up side panels provide airflow and temp control. Bungee fasteners hold sides open. Hook and loop fastener strips keep sides down.

Screen-Vented End Panels provide additional air flow and control. Roll the cover open or keep closed at your option.

Easy Slide Cross Rail™ system locks down cover and squares up frame.
