Two Way Adjustable Cover

High quality 300D polyester fabric cover. Innovative design adjusts to fit cut wood up to 24"/61 cm. Easily slides up and down the frame with the height of the wood stack. Results - always dry usable wood.

U-Channel Tube Design

Ultra Duty 1 x 2 in. / 2,5 x 5,1 cm Rectangular U-Channel Tube delivers optimal strength and stability.

Premium Steel Frame

Industrial grade 16 Gauge high grade steel construction with baked in a premium powder coat finish that looks great performs better. Resists chipping, peeling, rust and corrosion.

I-Beam Reinforcements

Reinforced I Beam spacers at each leg connection point keep the rack rock solid.

Easy assembly with just a 7/16" / 1,1 cm wrench – goes together in minutes. Open air design keeps wood off ground preventing insect infestation, mold growth and rotting. Excellent ventilation makes a great year round seasoning rack.
